

**Prayer to God by ALL Emotions
O Dear God, we know...**

**Each courage cannot fulfil
Just like each wave cannot touch beach...**

**Each fear cannot be overcome
Just like each moment cannot convert to momentum...**

**Each wonder cannot be imagined
Just like each flame cannot give light...**

**Each anger cannot express
Just like each ray of Sun cannot touch the ground...**

**Each tear cannot come to eyes
Just like each star cannot always bright...**

**Each satisfaction cannot give peace
Just like each drop cannot become pearl...**

**Each love is not express-able
Just like rainbow colours of ray can not seen...**

**Each happiness cannot be celebrated
Just like each music of silence is not audible...**

**Any spoken word cannot take back
Just like any moment of time cannot return...**

**But All the prayers are always answered
Anytime, everywhere and each one...**

We are always Thankful to you Dear God!!!
